

Hudson Valley Community College
2019-2024 Strategic Plan

Priority: Commit to Student Success, Inclusion, and Equity

- x Increase student retention and persistence
- x Minimize time to completion based on student goals, abilities, and motivation
- x Utilize technology and focused interventions to increase student success
- x Examine the current advising structure and system holistically from onboarding through FRPSOHWLRQ DQG LGHQWLI\ DQG LP SOHPHQW FKDQJHV WKDW SOD
- x Create targeted support for student populations in need of enhanced or focused assistance to enhance equity and inclusion
- x Enhance and grow student engagement offerings
- x Holistically measure various dimensions of student success

Priority: Enhance Academic Excellence

- x Identify and develop new academic programs that fulfill regional employment needs, provide greater transfer opportunities, and draw interest of current and future students
- x Ensure current programs are appropriately resourced to continue to serve our students, faculty and education/workforce
- x Examine opportunities for expansion within our service delivery area and design ways to optimize services within targeted areas
- x Design and implement specialized academic and student support programs for selected populations
- x Explore the possibility of developing a select number of four-year degree programs that build off existing programmatic strengths
- x Develop educational guided pathways for students
- x Ensure students complete with strong writing, communication, critical thinking, and employment skills from appropriately rigorous courses and programs
- x Investigate program delivery and format modalities and course offerings to ensure maximum opportunities for student success
- x Develop programs to promote innovative teaching and the scholarship of teaching and learning
- x Ensure optimal usage of current and planned campus facilities while enhancing the technological infrastructure to support academic offerings

Priority: Optimize Enrollment

- x Ensure enrollment stability and provide opportunities for appropriate growth through a renewed focus on current students and the identification of new markets
- x Develop and implement a strategic enrollment pipeline to recruit students and place them directly into programs of interest
- x Develop and implement a welcoming and supportive experience for all students aimed at stewarding them through the enrollment process and ensuring opportunities for their success
- x Expand programs and opportunities to assist students transitioning to campus
- x Connect pathways to careers and transfer opportunities for current and prospective students
